## Complete Business Solution Center

### Business to Business from Concept to Completion

*Kwik Kopy* Business Center (KKBC) is a franchise concept integrating the complimentary services offered by *Kwik Kopy* printing and Parcel Plus, with added online / digital services.

Why did we develop *Kwik Kopy* Business Centres?

Several reasons. Business does not readily have available the services and products that a *Kwik Kopy* Business Center provides and certainly not all under one roof. It is an exciting opportunity in a new market that we offer to enterprising individuals.

Simply put, a *Kwik Kopy* Business Center combines the world's two most renowned brands. *Kwik Kopy* Design and Print assists business in the creation and fulfillment of their printing copying and businesses needs, and Parcel Plus provides pack and ship services to both consumers and businesses.

At *Kwik Kopy* Business Center, we provide a complete creative and production facility, driven by leading-edge technology. So you can be sure that the quality of your completed projects are as high as it can be and at a realistic price.

**ALWAYS ON TIME**

Your Business may be small or large. You may need a simple one-step solution or require every resource we have available to design, print, copy, pack and ship to complete your job. Either way, you will always find the same commitment in providing quality solutions that meet your needs.
